- **Order of equal results**: the RFEG Green Book for Handicap tests will be used to resolve ties or disputes.
- **Points for the last 2 tests**; the last 2 tests only award ranking points to those pairs who are able to complete the minimum 4 tests required to qualify for prizes.
- **Incidents in the classifications of the events and the rankings**: any possible incident or error that the players appreciate in the management and classification of the tests, must be communicated directly to the course where the event has been played.
